BDO Progression Guide – Combat Grinding + AFK Fishing

Main Plan: Focus on grinding (Honglim Base) to increase combat power and finish Kharazad accessories. AFK fishing remains passive income while you are away from the keyboard.

Priority Roadmap

Priority	Goal
1	Finish Kharazad accessories
2	Socket strong crystals (monster dmg / accuracy)
3	Improve artifacts and lightstones
4	Increase grind efficiency at Honglim Base
5	Use AFK fishing for passive income

Example Character / Gear Context (from your screenshots)

Equipment(Alchemy Stone

AFK Fishing Quick Checklist

- Park at Velia ocean tile
- Use Dreamy Starlight or Balenos rod
- Use Seafood Cron Meal for profit-positive buff
- Expect roughly 80M–120M silver/hr while AFK

Grinding Strategy

Honglim Base grinding provides far higher silver/hr than active fishing. During events with increased drop rate and combat XP, prioritize longer grind sessions. Use crystals, buffs, and optimized rotations to maximize income.
